# A DIFFERENT PATH

# A DIFFERENT KIND OF LEADER

A top-down photograph showing several hands of different skin tones cupping small green seedlings in dark soil. The hands are arranged in a circle, with some holding the plants and others supporting the soil. The background is a mix of dark soil and light-colored wood chips. The overall tone is warm and hopeful, with a soft light source from the top left creating a gentle glow.

**INTELLIGENCE**

A high-angle, wide shot of a massive crowd of people, likely at a festival or sporting event. The crowd is dense and fills the entire frame. In the center, there is a large graphic overlay consisting of a dark blue circle with the word "YOU" in white capital letters. This circle is surrounded by a thick, golden-yellow ring. The background image shows a vast sea of people, many wearing hats and sunglasses, suggesting a sunny day. The overall composition emphasizes the individual within a large group.
